## Login Page, Navbar, and Footer

The screenshot shows the login interface for 'THE MOBILE HOUR'. At the top left is the brand logo. To its right are navigation links for 'Products' and 'Brands'. On the far right is a 'My Account' link. The main title 'Login' is centered above two columns. The left column, titled 'Registered Customers', contains fields for 'Email address' (with placeholder 'manager@example.com') and 'Password' (with placeholder '\*\*\*\*\*'). A 'Sign in' button is at the bottom. The right column, titled 'New Customers', contains a 'Register' button. Below the login form are three footer sections: 'Contact Us' with address, email, and phone info; 'Shop' with 'Products' and 'Brands' links; and 'Have An Account?' with a 'Login' link. Social media icons for YouTube, Instagram, and Facebook are also present.

## Products and Product Page

The screenshot shows the 'Mobile Phones' section of the website. At the top, there's a navigation bar with 'THE MOBILE HOUR', 'Products', 'Brands', and a user profile for 'Larry'. Below the navigation is a heading 'Mobile Phones' with a sub-copy: 'Here at The Mobile Hour every minute counts in finding the perfect phone for you. Explore our collection of cutting-edge mobile devices designed to keep you connected and empowered.' There are three rows of product cards. The first row contains four products: 'Shishu Cellfish' (price \$599.99), 'Shishu Fish' (price \$699.99), 'Kode Calender 3' (price \$499.95), and 'Kode A3' (price \$299.99). Each card has an 'Order Now' button. The second and third rows show partial views of other phones.

Figure 36 Edge – Products

This screenshot shows the product page for the 'Shishu Cellfish'. At the top, it displays the phone's image, its name 'Shishu Cellfish', and its price '\$599.99'. Below this is a 'Place Order' button. The 'Key Features' section includes the model 'CF-100' and manufacturer 'SHISHU'. The description highlights the phone's light weight (34g), 500mAh battery, and storage capacity (123MB). The 'Specifications' section is titled 'Specifications' and contains two tables: 'Key Specifications' and 'Display'.
